

# 4th Annual

## April 27-28, 2010

First In, Inc is proud to announce the Fourth Annual Arizona Academy of Extrication training seminar.

The seminar will again be **hosted by the Chandler Fire Department** at their training facility.

The classes will be two full days of hands on light and heavy rescue training techniques. The first day will incorporate the latest in vehicle technology, while the second day moves into advanced heavy rescue techniques with concrete barriers, telephone poles, automobiles upside down or on their side, and vehicles crumpled to simulate actual accident scenes.

Breakfast, lunch and refreshments will be provided on site. Class size is limited to 80 students. All equipment will be provided courtesy of First In, Inc.

**\$ 395.00 per Fire Fighter**

Call or email to reserve your spot today!

**800-352-4266**
